The Coastal Cookery Trade Training Centre is located on the grounds of Maroochydore State High School and was developed out of a partnership between Burnside SHS, Maroochydore SHS, Nambour SHS, local industry and organisations to train high quality students in the field of commercial cookery.

The program is designed for those students who are in Year 11 in 2015 and have the desire and work ethic to pursue an employment outcome in the Hospitality Industry.

At the Coastal Cookery Trade Training Centre you have the opportunity to complete the Certificate II Kitchen Operations over 18 months and also get hands on experience within the industry.
